A HORRIBLE NIGHT.

BY JOHN A. SPRING.

A STORY OF PIONEER DAYS.

While I was yet in the army a sin cere and lasting friendship sprang up and after giving me some general dibetween Leslie B. Wooster and my-Gen. Crook's pets, in the fall of 1870. On the 16th of September 1868, I parted. Cheerful parting words these than now, in order to join my friend everything went well enough when all the Barbacomari valley was quite plainly marked, not being traveled abundant and could easily have been over with frequency. I dismounted David Crockett Henderson, who has cut with a so-called hay-cutter, but I and knelt down, lighting the few dry

and ague to such a degree as to make in the lightning illumined sky. After their appearance often quite early in here comes a sound wafted over the these higher altitudes, might interfere mesa; a howl, now another, then a few "THE ELE" is the unique title of a with our work. So on Saturday eve- more and directly the infernal concert der to try if he could borrow from Mr. Were they tearing him to pieces? Wise the services of a few hay cutters. Would they dare to attack me? As I camp was near a place called carefully loaded before starting, I had Cienega; he therefore struck out on but little fear of the latter, but still mountains, telling me that he would rock a bush or whatever it might be return at all events that same even- in order to keep at all events my back ing. He was mounted on our only covered. The howling seemed to me horse, a good but rather old animal. to increase with every minute and I Ramon was on one of the wheel mules am afraid to tell the number at which of our hay teams. Sunday evening, I estimated that howling crowd of Monday morning and Monday night covotes. While I thus wondered, stopcame but no Wooster. As I knew ping slowly with extended arms I came him to be perfectly reliable I could suddenly to a steep descent, lost my not help but think that he had met footing and rolled or rather slipped What Eye Witnesses Saw of His Torture with some accident and went to the down about fifty feet to the great commanding officer of the fort (Maj. detriment of my trousers' back, and Downey) to see if I could procure a landed safely at the bottom of a gulch mount and perhaps a few men of es- and very near one of those oak trees cort in order to go and look for my that were then found in great profriend and partner. > Arizona has suffered long enough in conflict between the Indians of San Carlos and the settlers the general sentiment of the Territory is to take the matter in our own hands and wipe the Indians from the face of the earth. Arizona has already paid enough for peace and the measure of prosperity she has enjoyed since the peace came, and she proposes that it shall be continued if not by the Federal protection due her then by the powers that are within herself. - Phenix Tombstone's citizens, and especially her business men, are too prone to rely entirely upon local developments for their happiness. Her people should make up their minds not to get blue

over a little thing like the discharge of 15 or 20 men from a mine. There was a time when Nogales relied upon her mining industry alone for support; but she has outgrown that poolishness and looks forward to her commercial interests and intercourse with Mexico for her growth and future prosperity. Tucson has done the Both cities are growing rapidtowns. They are growing while Tombshould wake up to the importance of dropping the everlasting hobby of going by without an effort to grasp any of it. She can control the of the Sonora and other trade along him again that hope had vanished some hay-cutters. So I also returned the line of the A. & N. M. road, if she to Wallen later in the day, Capt. will ask for it. But people who buy over.

I TOLD YOU SO.

If you marry an angel who cannot make ples,

And live on the money you owe, And end in the poorhouse soon after awhile -

If by blowing and bragging you try to impress The world with your consequence, O, And show you are nothing—or possibly less—

Remember my telling you so

If you go into business minus the cash

Remember my telling you so.

That makes the mare properly go, And after a struggle wind up with a smash—

If you try to be healthy by swallowing pills,

If you try to make love to a sweet little miss

Who doesn't reciprocate, O, And find you are left when you ask for a kiss,

So-so,
Remember my telling you so.
